 WWT London Wetland Centre in Barnes.**

Queen Elizabeth's Walk, Barnes, London SW13 9WT

Bringing the countryside to our local area

The Kew Society invites you to join our guide on an early morning tour of the London Wetland Centre in Barnes.

We will meet at 09.45 hrs at the Visitor Centre entrance ready for a 10.00 hrs guided tour to learn more about otters, water birds, ducks, dragonflies, water voles and lapwings – mixed in with snippets about planting, wildlife and their habitats. This is a perfect opportunity to explore the beautiful open-air walkways among the lakes and pools of this 105-acre site, perfect for spotting birds and other wildlife residents.

Following the tour, you are welcome to stay on and enjoy the London Wetland Centre, take a relaxing break in the cafés or indulge in some retail therapy at the gift shop. The area is fully accessible with ample, nearby car parking, wide flat paths and accessible hides and sensory gardens. Only assistance dogs are permitted on site. Comfortable shoes advised.

Please book on line at www.kewsociety.org/events or complete the form below.
